

Conference on Climate risk management

Approaches, risks, and opportunities
for financial institutions and financial markets

22 MAY 2025

Department of Management and Business Administration,
G. d'Annunzio University of Chieti-Pescara,
Viale Pindaro 42, Pescara

CALL FOR PAPERS

Climate risk is high in the public agenda. Financial institutions and scholars are actively working to identify and manage such risk.

The Conference aims to bring together leading academics, practitioners, and policymakers and provides the opportunity to present state-of-the-art research mainly on the following topics:

- Climate risk and financial institutions
- Climate risk and financial markets
- Climate risk and Sustainability reporting
- Regulation and policy in climate risk management
- Circular economy and sustainable production and consumption
- Financing the green transition
- Sustainable finance
- Fintech and sustainable finance

Gianfranco Vento, Università Guglielmo Marconi

PUBLICATION OPPORTUNITIES

- Bancaria
- International Journal of Finance and Economics

The conference organizers, in liaison with the editors of the International Journal of Finance and Economics will invite the authors of selected high quality papers that fall within the general remit of the journal, to submit their manuscript to the journal. The selected papers undergo the reviewing process on a fast-track basis.

- Journal of Risk and Financial Management
- Journal of Financial Management, Markets and Institutions

The Editorial Team of "JFMMI" will offer a "fast review process" for submitted papers that are going to be selected and presented at the upcoming Conference on "Climate Risk Management: Approaches, Risks, and Opportunities for Financial Institutions and Financial Markets".

Corresponding Authors are requested, during the submission process, to upload a cover letter explaining the improvements made to the paper based on the feedback received after the presentation at the Conference. The assigned Co-Editor will then contact the discussant to request the report presented at the Conference, including any comments and suggestions provided on the submitted paper. The review process will proceed with the selection of one anonymous referee who will be asked to deliver their review report within a shorter time frame than is typically allotted.
